

**CAMP MAT - 50MM**

(EMF-CM50-A)

 **190 x 60 x 5cm** |  **2kg**

- Ideal for camping or home use
- High density open cell foam mattress provides a comfortable night's sleep
- A polycotton top surface allows the mat to breathe
- Easy wipe clean water resistant base fabric avoids dampness from the ground penetrating the mattress
- Convenient webbing strap with D ring locks for compact transport & storage

**CAMPER DELUXE - BONDED MAT**

(EMB-CAD-A)

 **183 x 63 x 3cm** |  **1.5kg**

- Quick rise open cell foam bonded to the outer fabric for maximum comfort and minimum inflation time.
- Easy-to-clean polyester outer fabric
- Reliable air valve control and non-removable cap
- Storage straps, repair kit and carry bag included

**TRAVEL PILLOW**

(ACS-TP-B)

 **29 x 48cm**

- Lightweight and packs down small, don't leave home without it!
- ExoTherm® Extreme fill
- Brushed cotton top with a polyester base
- Packs down to only 15 x 15cm

**COMPRESSION BAG SMALL**

(ACS-CBS-B)

Compress clothing and sleeping bags into compact bundles. Each compression bag comes packed in an eco-friendly, all natural, undyed and unbleached cotton carry bag.
